

FROM THE COMMITTEE MEETING 12 JANUARY 2022

Lessons (intermediate): As you are aware, Ian Spight has been in isolation and therefore had to postpone these lessons. They will now commence Wednesday 2 February and there will be eight lessons instead of nine – the last item being dropped – because of Ian's timeframe.

Beginners Classes: These will commence Monday 7 February with Kerry Wright. If you know anyone who may be interested, please contact Bev Lawler (mobile 0417 480 206 or email lawlerb@aapt.net.au), so she can follow up.

Non-playing Members: The Committee discussed the best way to try to encourage new members to come and join in the usual sessions. We also want to encourage those members who have been with us a while, but don't play very often for whatever reason. Those of you who are new to our club (or even older members) who maybe don't have a partner or just feel unsure, please contact Pat Pepper (0400 187 545 or patp_au@yahoo.com.au) or Jenny Sykes (0431 085 565 or gjsykes2005@yahoo.com.au) to let them know your situation, so we can arrange something for you. We want to see you at the tables.

Mixed Mystery Teams: Come one – come all! You may have already been contacted regarding this fun day coming up on Monday 31 January. It's designed to give everyone a chance to play with a mix of experienced, intermediate and novice players and will be a great start to the year. Especially given there will be drinks and nibbles to follow!! So please, give it a chance and jump in. Just be sure to let John McIlrath know your intention to play.

Member Survey: The Committee is keen to know your thoughts about the current club situation and how you think we can improve the club generally. Attached is a survey (and there will also be printed copies available at the club) which we strongly encourage you to complete and return to the club. There are two ways to do this – return by hand and place in the Suggestion Box, or email back to tomareebridge@gmail.com Please be assured that your response to this survey is totally anonymous and confidential and will remain so, even if you email back. Sandra Robinson is the only recipient of email at the above address and she guarantees to maintain your anonymity and confidentiality.

History of bridge in the bay: Christine Blackledge has begun to collate information relative to the history of bridge in this area. She hopes to publish this in book form. If you have anything of historical value to add, please contact Christine and let her know.

Membership Renewal: Please remember that membership is due by 31 January (\$30). Please pay by direct credit (preferred) to cash in an envelope with your name. Also remember to purchase your tokens - again direct credit or cash to Kerry Wright.

New Members: The committee welcomed three new members – Christa Herzig, Kristin King and Dot Saxon-Williams. Please make these new members welcome.
