

FROM THE COMMITTEE MEETING 9 MARCH 2022

Mixed Pairs: Starting Monday 21 March (next week), our State Qualifying Mixed Pairs event will run for three consecutive Mondays. So, if you can manage to find a partner, please be ready to compete. Doesn't matter if you can't (available men are bit thin on the ground in our club!) come along and play anyway. If a player can't attend all three sessions, substitution is allowable.

Easter: Nothing special has been planned for Easter (Good Friday 15 April) as we often don't get a good turn up. However, Easter Monday (18 April) will be as normal – and you never know, the Easter Bunny may be a-hop!

Hunter Interclub Pairs: This will be hosted by Toronto Bridge Club on Saturday 26 March. It will be online via Real Bridge. We have four pairs and need another two pairs. Anyone interested, please contact John McIlrath.
