

## FROM THE COMMITTEE MEETING 8 August 2022

**STATE VETERANS REVIEW:** It was generally agreed that this event was well received and attended, given the COVID and 'flu issues that continue to abound. Our next big event will be our Congress set for 29-30 October – all details will be available soon.

**WORK ON EWFR:** We have been advised by the Port Stephens Sports Council that it is expected that work will begin on renovations to our rooms sometime around September-October. It is possible we may have to vacate for a week or two, however, we have been assured we can use the Bruce Scott Pavilion during this period if necessary.

**TREASURER:** As you may already be aware, Kerry Wright has resigned as our Treasurer as at 5 August 2022. In the meantime (until the AGM 31 August), Sandra Robinson and Carol Mottley will continue to look after the financials.

**TOKENS/VOUCHERS:** It would be appreciated if members would purchase the playing tokens/vouchers on-line. Please just deposit your payment into our bank account – BSB 062 761 Account No. 10120908 with your name and the word 'Tokens' (or 'Vouchers') and they will magically appear at your next visit to the club. Thank you.

**NEW MEMBERS:** The Committee welcomed one new member, who is also a new player, so be kind and helpful to him. Welcome Michael Clarkin.
